

CarmichaelRECREATION AND
PARK DISTRICT

Memo

To: Advisory Board of Directors

From: Alaina Lofthus, Recreation Services Manager

Date: August 19, 2021

Subject: Recreation Activity Reports for January – June 2021

Attached are the monthly recreation activity reports for January – June 2021. These reports reflect the number of people using our district facilities, participating in our recreation programs, and attending our special events.

Here are some highlights reflected in the reports:

- Farmers' Market:

During this reporting period, the District worked with Marga Brunner, of Common Kettle LCC, to manage the Sunday Farmers' Market at Carmichael Park. The District was pleased with the organization and adherence to public health orders provided by Common Kettle LLC and were happy to keep Carmichael Park as a place the community can come for fresh and local produce, fruits, and other goods. As represented in the report, the Farmers' Market draws large attendance numbers every Sunday.

- Youth and Adult Sports:

The COVID-19 restrictions on youth and adult sports were continuously updated, and as the year progressed, more sports were permitted to start again. Senior softball players were excited to get back on the field during this reporting period. Their Spring/Summer league, which was cancelled last year, started in April. There are approximately 120 players in the Wednesday and Thursday leagues. Carmichael Little League and Carmichael Girls Softball were back on the fields again and started their leagues in March. The District's Friday Night Coed Softball League was able to start playing games in May, reaching team capacity in one day of open registration. Additionally, the District decided to partner with Skyhawks and offered a Flag Football Program and Soccer Program during this period. Both programs were well attended with 24 participants in flag football (maximum capacity) and 15 in soccer. In April, the Capital Valley Futbol Club started their regular use of

the La Sierra Community Center soccer fields as well as American River Futbol Club using the soccer fields at Del Campo Park.

- Youth Development Programs:

The District continued through the school year offering the Distant Learning Camp to families who needed care for their children attending school remotely. Staff helped children log into their Zoom classes, assisted with homework, and created a safe social atmosphere where kids could be active and play with others. The Distance Learning Camp was restricted in the number of children that could attend throughout this reporting period due to CDPH Cohort Guidelines.

Summer Camps started in June and with CDPH Cohort Guidelines no longer in effect, the District was able to register a total of 50 children in two different summer day camp programs. Children were able to play games, do arts and crafts, have water days, and socialize with others. The camps were a fun and safe place for children to play together again.

- Events:

In April, to replace our Annual Egg Hunt, which could not be held due to COVID-19 gathering restrictions, the District worked with local community groups to offer a Bunny Car Hop. Each community group set up a booth along a designated pathway in Carmichael Park and handed out candy filled eggs to families as they drove through. The District had approximately 200 people participate in this event.

The District also offered the Carmichael Egg Drop as a safe alternative for community members. The District's van drivers and staff went around to the houses of those who registered (42) and either hid candy filled eggs in their front yard or dropped them off at their front door. Many got bunny sticker footprints around their front walkways which added to the fun for kids!

- Community Garden:

The Community Garden is located at the Sutter-Jensen Community Park and has 62 plots. The garden exists to promote a positive environment for community members with a passion for working outdoors, to share information, gardening techniques and build camaraderie. Every year the District registers participants for plots and takes a waiting list when full. Throughout the pandemic, the Community Garden has been able to remain open and is a wonderful spot for people to get outdoors, be active, and feel safe. January through June was a busy time of the year as gardeners were regularly cleaning, prepping, planting, and caring for their plants.

- Facility Rentals:

The District was able to reopen the gymnasiums at the La Sierra Community Center for rentals and had 7 rentals in May and 21 rentals in June.

The completion of the Bocce Ball Courts at Carmichael Park provided the District an opportunity to teach five free clinics to a total of 40 community members as well as rent the courts four times during this reporting period.
