

SWIMMING INFORMATION

Swim days take place at the Antelope Aquatic Complex located at 7990 Palmerson Drive, Antelope, 95843. It has a fun wading pool area pictured below for non or limited swimmers as well as bigger water slides and a pool for older and more experienced swimmers. **Please remember to check your weekly schedule as sometimes pool days change according to the weekly activities planned.**

Usual Pool Days

Voyager: Wednesdays

Explorer: Tuesdays

Teens: Tuesdays

Per the facility policies, all children will be swim tested by the Lifeguards prior to entering the water. Those children who do not pass the swim test will still be allowed to play in the wading pool area only (which is no deeper than 4 feet).

We also ask for your feedback on your child's swimming abilities below so our Camp Directors are informed on your child's swimming capabilities.

We strongly suggest campers bring a bag on pool days for their towel (labeled with their name), swimsuit, sunscreen, change of clothes, and water bottles.

Child's Name: _____ Age: _____

Parent/Guardian Name: _____ Signature: _____

Can your child swim? Yes Yes, but still learning No, not at all

Those who do not pass the swim test or who know ahead that they cannot swim have the option to use the wading pool only. Please mark below if your camper will be allowed in the wading pool or if you would prefer your child to stay away from the wading and swimming pools entirely. Wading Pool ONLY No Wading or Swimming Pool Use

Staff members swim and help supervise the children as well as the Lifeguards on duty. It is important for our staff members to know which children are not strong swimmers so we can help them and closely supervise them. Please describe in more detail your child's swimming abilities: _____
